RALPH W. STERLING

STERLING LANE

CUTCHOGUE, LONG ISLAND, NEW YORK

ESTABLISHED 1873 TELEPHONE: PECONIC 4-6755

Cutchoque, L. I., N. Y.
February 1, 1958

To my Friends and Customers:

Please accept this my 1958 catalogue, with my personal greetings and best wishes for a Happy and Prosperous New Year.

We had a good growing season last year and I have received many reports of successful results in both Flowers and Vegetable gardens. I sincerely hope your efforts will be repaid in this year of 1958 and I am always glad to hear of your experiences.

We have a good supply of Seeds and Plants this year or will have in their season. Our Strawberry Plants never looked healthier than last Fall and we have them mulched so should be ready for your orders this Spring. Order early as that is one of the best assurances of success with Strawberries, good plants, set early in the season.

In Asparagus Roots, we have 1 and 3 yr. old roots this year and they are beautiful, large roots priced very reasonable, considering the extra large size.

Our Vegetable and Flower plants are grown in fresh soil, from the best strains of seed and we dust and spray to keep them free of insects and disease.

Good Grass Seed is reasonable this year and we have made our prices as low as possible, considering the high quality and the percentage of permanent grass seed that we use in our lawn mixtures. All our lawn grass seed is mixed on the farm from the best and purest seed on the market.

We have a fine assortment of 2 and 3 yr. No. 1 Rose Bushes, all potted in good soil and ready to bloom in your garden.

Pansy Plants, Geraniums and Petunias are also in good quantity and fine quality. Try some of our Fl Hybrid Petunias. We have many of the newest kinds and colors.

Cabbage, Lettuce and Tomato Plants in the very best kinds are another specialty, especially the Hybrid Tomatoes in bands.

If in need of insecticides and Fungicides, we have a good assortment and some of the very best brands on the market. Use a good dust on all your plants, and good fertilizer, with some lime if necessary, and may you have the best of success with everything.

You are always welcome at the Sterling Farm, up Sterling Lane.

Sincerely yours,

Ralph W. Sterling

DIRECTIONS

By careful reading and observing the following directions, mistakes will be largely avoided and your order can be filled more promptly.

Please use the enclosed Order Sheet and self-addressed envelope if possible. If you need more, let me know and I will be glad to send more to you.

Write your name, address and shipping directions plainly.

Always send the cash with your order, unless otherwise agreed upon. Money may be sent by P. O. Money Order, Bank Draft or Registered Letter. Stamps may be sent for amounts under \$1.00, but be sure to put in three-cent stamps, wrapped in waxed paper.

We pay the postage on all seeds sold by the pkt., and oz. Quantities over that are priced net, to be shipped Parcel Post, freight or express, at purchaser's expense, unless otherwise stated.

If you desire your seed sent by Parcel Post, add 23c for the first lb. and 4c for each additional lb. of your order, allowing 3 lbs. extra for package. For amount of postage on plants see Plant Department. These rates are for anywhere on Long Island.

By pricing my seeds net, postage extra, you get your seeds delivered for less money than if I quoted a Postpaid price as the 23c per lb. extra would have to be counted in and added to each single lb. priced.

$\frac{1}{2}$ lbs. will be sold at lb. rates; $\frac{1}{2}$ bu. at bushel rates.

No charge is made for packing or packages.

NOTE—In all orders received before April 15th we include trial packets of different kinds of seed, the number of packets depending upon the size of your order. If you find any of these of particular value, we would be pleased to hear of it.

If you cannot use this catalog or receive more than one, will you kindly pass it on to someone interested? Thank you.

NOTICE — I give no warranty, express or implied, as to the productiveness of any seeds, bulbs or plants, sold by me, and I will not be in any way responsible for the crop. My liability in all instances is limited to the purchase price.

Ralph W. Sterling

Seed Department

"STERLING STRAIN"

Follow the mark of "Sterling." We are always looking for the best strains of seed and where we find a superior one we place the sign of "Sterling" on it, thus (S).

Mattituck, L. I., July 20th

The Squash that I raised from your seed this year I found to be the Zucchini that the customers want and altho the variety is Coccozelle the fruit is better flavored than the dark Zucriní and the customers like them. — R. T.

Mattituck, L. I., Jan. 1957

The best variety of tomato that we have found so far is the Burpee Big Boy. We stake them up and they are a picture when ripening; beautiful large, smooth fruit of excellent quality. — G. B.

GRASS, CLOVER AND ALFALFA SEED

Prices liable to change without notice. Blue Grass Fescue and Red Top of highest quality are still high in price. We are making our prices as reasonable as possible considering quality. It is the very last fraction of 1% in purity that costs money. I believe that it pays big returns, too, as it is truer in seed than anything else that **"the best is none too good"**.

If your land is sour and Grass and Clover does not do well as a rule, a little lime sown on top of the ground and harrowed in before sowing in the seed would be a great help. Why not have your soil tested?

Special price on 100 Lb. lots \$1.00 per 100 lbs. less than prices quoted in catalog

	1 Lb. to 99 Lbs. per Lb.
TIMOTHY. The brightest and purest seed on the market. 99.65% pure	\$.27
RED CLOVER. Very best grade. 99% pure65
ALSIKE CLOVER. Does well where Red Clover sometimes fails. Best grade. 99% pure. Mix Alsike and Red Clover for best results	56
ALFALFA. Northern grown. Very best strain for this section. 99% pure	60
CRIMSON CLOVER. Sow in July and August for cover crop37
WHITE CLOVER. Fine for lawn and pasture. Purity 98%88
HIGHLAND BENT. Best Native Bent. Finest quality. Grows well in acid soil. One of the best for lawns. 98% pure75
CHEWINGS FESCUE. Fine for pastures, lawns and sandy soil65
ILLAHEE CREEPING RED FESCUE. Greener and finer than Chewings Fescue. Stand dry weather95
KENTUCKY BLUE GRASS. Does best on sweet soil. Fine for lawns, pastures and orchard. We still have a good supply of this very scarce seed. Superfine quality, 98% Pure	1.00
RYE GRASS. Perennial or English. For a quick cover or lawn25
ROUGH BLUE GRASS. Poa Trivialis Good for moist areas65
RED TOP. Fancy recleaned. Fine for lawns, new ground and pasture. Best grade. Purity 98%75
HUNGARIAN GRASS. Makes a quick crop of hay15

GRASS SEED — Continued

99 Lbs.
per Lb.

SUDAN GRASS. Piper Strain. Good for pasture, green manure or a heavy crop of hay. Use 40 Lbs. per acre. 25 Lbs. or more at 19c20
STERLING PASTURE MIXTURE. 10 of the best kinds of Grass and Clover Seed, suitable for pasture. Contains no Orchard Grass. Use 20 to 40 Lbs. to the acre. Best grade seed. 25 Lbs. or more at 69c per Lb.; 100 Lbs. or more at 68c per Lb.70
NITRAGIN for inoculating ALFALFA, SWEET CLOVER, ALSIKE, and RED CLOVER. 1 Bu. size, per can75
2 Bu. size, per can	1.50
NITRAGIN for Vetches, Field Peas, etc. Garden size25

We carry Wild White Clover, Merion Blue Grass and Zoysia Japonica in small quantities or can get it on order. Also, we can get you the four new alfalfas if you want to try them out.

LAWN MAKING

Our Lawn Grass Seed is mixed from the very best grass seed, clean and free from weeds, and we sell many hundred pounds all over Long Island, as there is no better grade seed on the market.

Loosen the soil in which a new lawn is to be made to a depth of at least five inches, and lighten it with humus, compost or manure if it is heavy and inclined to bake. Apply fertilizer liberally, either Sheep Manure, Bone Meal or both. Use Vigoro on established lawns in early Spring and early Fall. Peat Moss is a very good soil conditioner for lawns.

Sow in the early Spring when cool weather and ample rain fall will insure complete germination and a good start for the seedlings before hot dry weather comes. If seeding must be delayed, special precautions must be taken to prevent the grounds drying out. Early Fall is a very desirable time to seed, if moisture is sufficient.

See that the seed is well covered. Rake it into a new seed bed and roll so that the soil is firmed over the seed. Where seed is sown on an old lawn, always cover it with a top dressing of Peat Moss or soil and rake in. Seed thrown on the top of hard ground has no chance to grow and will merely wash off. Fertilize well after seeding.

No Timothy or Rye Grass is ever used in our Lawn Grass Mixture.

VIGORO — THE COMPLETE PLANT FOOD

1 lb. bag	\$.15

Sayville, April

I am enclosing stamps for postage due on shipment of Asparagus roots. They looked fine and have them all planted. — F. C.

PLANT DEPARTMENT

Our Strawberry bed for 1958

STRAWBERRY PLANTS

My Strawberry Plants for 1958 are ALL raised from Virus Free Stock, except Empire, a new variety, so new it should be free from all Virus diseases. We sprayed them and kept them free from insects and disease and they made a nice healthy growth with large crowns and good healthy roots. Come look our stock over.

Our stock of Sparkle, Empire and Robinson is extra fine this year

7 varieties listed in order of ripening

	25	100	300	1000
PREMIER. Early. Heavy yielding	\$.75	\$2.50	\$6.00	\$18.00
FAIRFAX. Best quality. Large, firm sweet.75	2.50	6.00	18.00
MIDLAND. Good quality, fine for freezing75	2.50	6.00	18.00
CATSKILL. A fine large berry for market.75	2.50	6.00	18.00
EMPIRE. New large. Fine quality.75	2.50	6.00	18.00
SPARKLE. Fine quality, heavy yield.75	2.50	6.00	18.00
ROBINSON. Large. Have a good supply.75	2.50	6.00	18.00

All the above are grown from Virus Free plants on fresh ground. We found in our trials in 1955 that the varieties grown from Virus Free stock was the heaviest yielding of all the kinds that we had.

All of the above kinds have perfect blossoms and can be set out alone if desired, but it is better to have 2 or 3 kinds for better polinization.

Postage on Strawberry Plants: Add 31c per 25; 45c per 100 and 90c per 300 to above prices.

No Strawberry Plants Dug in August, September or October.

RED RASPBERRY PLANTS

LATHAM. Mid-season, good quality, large berries. Long season. Per doz., \$3.00 per 100, \$22.50

NEWBURGH. Mid-season. A red raspberry of superior merit. It is of fine quality, productive, and holds its size through a long season. Per doz., \$2.00; per 100, \$13.50

DURHAM. The new best fall bearing Raspberry, early large, fine flavor \$3.00 per doz.

BLACK CAP RASPBERRY PLANTS

CUMBERLAND. Disease resistant. Hardy and prolific. Largest late Black Cap, holding its size through a long season. 1-yr. old plants, \$2.00 per doz.

HORSE RADISH

MALINAR KREN. Best kind. Per doz., \$1.00.

RHUBARB ROOTS

MC DONALD. A new Red Rhubarb. Needs less sugar. Low acidity. Fine quality. Each, 60c; per doz. \$6.00.

If you want Raspberry and Blackberry Plants, Horse Radish and Rhubarb Roots sent by Parcel Post, add 40c to above prices for 1 doz., 65c for 2 doz. on Long Island.

GRAPE VINES

The 3 best kinds. 2 yr. vines.

CATAWBA. Late, pink, sweet	\$1.00
----------------------------------	--------

CONCORD. Most popular purple. September	1.00
---	------

PORTLAND. White. Late. Good quality	1.00
---	------

Larger vines in some of the above kinds, \$1.50 to \$2.50 each.

Add 31 cents extra for one vine sent by P. P.; 60 cents for three.

CURRENTS

RED LAKE. Large, light red berries in long, well-filled clusters. Excellent quality. 3-yr. No. 1 bushes, \$1.50 each; bearing age.

BLUEBERRY BUSHES

5 of the best varieties

CONCORD. Mid-season. Upright. Large clusters.

DIXI. New, midseason. Extra large.

JERSEY. Late. Upright. Large firm berries.

RANCOCAS. Mid-season. Tall. One of the best. Prolific.

WEYMOUTH. Early, good quality, large berries.

2-yr old plants, \$1.75 each; \$16.50 for 10 plants assorted. Larger plants in some varieties, \$2.50 to \$7.50 each, according to size.

Set in acid soil. Use plenty of Peat Moss and aluminum sulphate.

SPRING BLOOMING BULBS

TULIPS, NARCISSUS, HYACINTHS, CROCUS. ETC.

We expect to have a good supply of Spring flowering bulbs in the Fall, and will be pleased to book your orders for Fall delivery. Prices will be right for No. 1 sure blooming bulbs. Will have a nice display in the Spring of flowering bulbs in bloom. Come look them over. Will have Potted Hyacinth and Tulip bulbs in full bloom for Easter.

1957 Field of Mary Washington Asparagus

ASPARAGUS ROOTS

Our Asparagus Roots are nice, large healthy roots grown under irrigation from re-selected seed and will make you a successful bed in 1 to 2 yrs. time.

Doz. 100 1,000

MARY WASHINGTON. One of the largest, most productive and finest flavored Asparagus yet developed. Very high branching, which makes it the best for cutting green. Rust-resistant.

One year old roots. Large	\$.40	\$ 2.50	\$ 15.00
Three year old roots. Ready to cut this year if set early. Very large crowns.80	4.00	24.00

Set out our Sterling Grown Roots this year, about six inches below the surface of the ground, cover with about two inches of soil. As the plants grow up, fill trench with well-rotted manure and more soil, and some good fertilizer on top of that. Do not put fertilizer next to any kind of root or plant if you want them to live. Set your Asparagus Roots out as early in the Spring as possible.

Postage on Asparagus Roots: Please send 30c per doz., 40c per 2 doz., 60c per 100 on 1 yr. old roots. Double that for 3 yr. old roots.

Setauket, N. Y., March 30

I bought some 2 year old Mary Washington Asparagus roots from you two years ago and they grew fine. I cut from them last year and they have made wonderful growth.
A. P.

Cold Frame and Hot Bed Plants

TOMATO PLANTS

Ready in May and June

* Transplanted; well-hardened plants. All my plants are grown from Certified Seed or selected stock from the best growers.

The number of days for each kind to ripen is from Livingston's and my own Trial Grounds, from time of setting in the field.

BREAK O'DAY. Extra early. Wilt resistant. 58 days.

GOLDEN PONDEROSA. Large yellow. Sweet. 82 days.

JUBILEE. Burpee's new yellow. Fine. Globe shaped. 72 days.

MARGLOBE. Disease resistant. Large. Best for main crop. Grown from certified seed. 60 days.

OLD TOWN. Extra large and prolific. Earliest. 55 days.

PONDEROSA. Improved strain. Very large, fine flavored and mild. Best for slicing. Few seeds. Certified. 84 days.

PRITCHARD or SCARLET TOPPER. Early. Wilt resistant. 60 days.

RED CHERRY. Smallest, round.

RUTGERS GLOBE. Large. Disease resistant. Cert. 60 days.

STOKESDALE. Heavy yielding. Early. Certified. 58 days.

VALIANT. Heavy yielding. Early. Globe shaped. 65 days.

YELLOW PEAR. Small. Fruit for preserves. Pear shaped.

All the above kinds at one price. 40c per doz.; 4 doz. for \$1.50; \$2.80 per 100. Ask for price by the 1,000.

3 HYBRID AND 2 EXTRA SELECT TOMATOES

These are larger, better colored, thicker fleshed and more prolific than standard varieties. They are also more blight resistant and stand up better under adverse weather conditions.

BURPEE'S BIG EARLY. 62 days. New. Earliest Hybrid. Large size.

BIG BOY. Largest Hybrid tomato of all. Mid-season. 78 days.

BURPEE HYBRID. Most prolific tomato of all. 70 days.

STOKESCROSS. NO. 4. A Tomato of great vigor. Large, solid, highly flavored fruit. 10 days earlier than Rutgers.

STOKESCROSS. NO. 5 Another variety with a long harvest season. A very heavy producer. Both of our Stokes-cross varieties are practically crack free, very solid, and fine for canning.

All the 5 kinds at 75c per doz. from the flat. \$1.00 per doz. in vita-bands. \$5.00 per flat.

Add 30c per doz.; 49c per 2 doz.; and 65c per 100 to your order if you want them by Parcel Post. No Tomato Plants in bands sent by Parcel Post.

LIQUID INSECTICIDES**BLACK LEAF 40**

The Liquid Spray that controls Plant Lice or Aphis. Put 1/2 lb. to 50 gallons water, add 6 to 8 ozs. of Catalizer and you have one of the best controls there is for sucking insects. Black Leaf 40 is the greatest louse killer for poultry on the market. Pour it on the perches just before roosting time.

Per 1 oz. Bottle for garden use.	\$.40
Per 5 oz. Bottle, for garden use and hen house	1.20
Per 1 lb. Bottle, for garden and hen house	2.69
Per 2 lb. Bottle	4.79

PRATT'S NICOTINE SPRAY

The best spray for aphis and other sucking insects. Can be mixed with arsenate of lead and other insecticides. 1 oz. bottle, 35c; 1/2 pt. can, \$1.75.

TERMITKIL

Unadulterated ground penetrant, formula recommended by U. S. Department of Agriculture. Effective chemical control — for killing termites, flying ants, and other similar insects. Can be used full strength or diluted with 3 parts of fuel oil without reducing effectiveness. All fire precautions should be observed if diluted.

1 gal. can	\$5.73
------------------	--------

**ORTHO FLY SPRAY**

Contains Pyrethrum, Piperonyl Butoxide, Methoxychlor and Thanite. For use in homes, on porches, patios and lawns for control of flies, mosquitoes, gnats, ants, fleas etc. Not harmful to animals.

32 oz. can with applicator	\$1.95
----------------------------------	--------

IMPROVED ISOTOX GARDEN SPRAY M

Contains Malathion, DDD and Lindane for use on Flowers, Shrubs, Fruit Trees and Vegetables, against Japanese Beetle, Aphids, Lacebugs, Cutworms, Ants, Thrips, Flies and Red Spider.

4 oz. bottle	\$1.19
8 oz. bottle	1.98
16 oz. bottle	2.98

ORTHO MALATHION "50" SPRAY

Contains 50% Malathion. For use against Red Spider, Aphids, Flies, Mealybugs, Scale and many other insects on Evergreen, Roses, Ornamentals, Shrubs and Trees.

4 oz. bottle \$1.19

PARA-SCALECIDE

For treating Peach Borer. 1/2 pt. can, 85c; qt. can, \$1.69.

SCALECIDE**THE COMPLETE DORMANT SPRAY****"Makes a Tree Outgrow Its Troubles"**

Fall spraying with Scalecide controls psylla and peach leaf curl. Spring application controls aphids, pear thrips, leaf miner, case bearer and leaf roller. Either Fall or Spring spraying with Scalecide controls scale, bud moth, European red mite, fungus or blight cankers from which are spread fire blight, collar rot and root rot. And in addition, year after year use of Scalecide invigorates the trees. Use 1 1/2 gals. to 50 gals. water.

1 pt. can at the Farm	\$.95
1 quart can at the Farm	1.39
1 gallon can at the Farm	3.25
